

Packing List

SUMMER SESSIONS

Please list the items you will send to camp in the spaces below. The suggested amount of clothing is an average figure. Your camper's individual needs should be your guide. Camp **DOES NOT** provide laundry service. *Please provide a laundry bag to pack soiled clothes!* Pack enough clothes to last the full week, including extra changes, in case of accidents. **Be sure to hand this form to the staff member checking your camper in.** This will assist us in re-packing the proper items to go back home.

We urge you to label all clothing. If not using labels, clothing **MUST** be marked with a laundry type marker. We are not responsible for lost items. However, we will make every effort to see that all items are returned. Please contact us as soon as possible if items sent to camp are not returned or if you return from camp with someone else's belongings. We will do everything possible to locate and return misplaced items.
